

Transponder and Racelink **Order Form**

Time Service is official reseller of MyLaps products.

Through this form you can order your transponder and X2 RaceLinks at Time Service BV.

Time Service is selling 2 types of Transponders:

- a. the TR2 Transponder Direct Power
- b. the X2 Pro Transponder.

Both transponders have the Driver-ID function.

The TR2 transponder is suitable for all amateur races, held on tracks with MyLaps Hardware.

The X2 Pro transponder is used by professional racing teams competing in series as WEC, LeMans, Asian Le Mans

For the Winter Series a TR2 transponder is sufficient.

The X2 RaceLink is also available in 2 versions:

- a. the X2 RaceLink Club
- b. the X2 RaceLink Pro.

The Club version is sufficient for the Winter Series
