

DEADLINE: This document must be submitted by the drivers briefing at the very latest!

GT3 cars: (According to Article 24.7 of the Regulations)

- » Sessions must be completed by the drivers in the order of their ascending FIA categorization, so that qualifying 1 has to be completed by the lowest categorized driver,
- » If two or more drivers have the same category the order is of free choice
- » If a car has only two drivers, the lower categorized driver should join the first two qualifying sessions. If both are equally categorized it is of free choice who does the first two qualifying
- » If a car has more than four drivers the highest drivers should not join the qualifying sessions but instead the Free Practice session.

Other cars: (According to Article 24.8 of the Regulations)

- » The order of the drivers in the different qualifying sessions is of free choice
- » Cars with two drivers: One driver must participate in two qualifying sessions
- » Cars with four or more drivers: Three drivers have to participate in the three qualifying sessions. The other in the Free Practice (Mandatory!)
